I wish to join other members of the Society in carrying out voluntary duties on the Epping Ongar Railway. I must attend an induction course before commencing any work on the EOR. I understand that some specialised railway roles are subject to availability and require training to the required Technical and Health & Safety standards.

Please tick here if you do not want your details to be shared with Epping Ongar Railway Company Ltd (this box needs to be left blank if you want to become a volunteer).
