

CLASSIC CAR AND VEHICLE EVENTS

AT

THE EPPING ONGAR RAILWAY 2019

Sunday 16th June (Fathers Day) and Sunday 1st September 2019

The EOR will be holding two classic car/vehicle shows at **North Weald Station**. These events will only **be open to pre-booked** cars, motor cycles and commercial vehicles, as our parking space is limited to about 70 vehicles. (though this may be restricted if the field is waterlogged in places). **Entrance to all is completely free.**

All makes and ages of vehicles are invited to **pre-book**. Modern Classics and Motorcycles are welcome. **Vehicles must be pre-booked in advance** so as we can allocate the limited parking spaces.

All entries should be in place **before 10.30am** (the field will be available from 09.00hrs) and as there will be a lot of public activity, entry after this (even for those who have pre-booked) may be refused due to Health & Safety issues. It would also be helpful if all exhibitors could remain in place for the day. **All pre-booked car drivers and their passengers will be entitled to half price travel on the day, and a discounted breakfast** (See our website www.eorailway.co.uk for fares and timetables).

All vehicles must be insured and proof of insurance bought with them on the day. All vehicles bought to the show are entirely at the owners' risk. The EOR will not be held responsible for any damage to vehicles while on site or in transit to and from the event, and will have the right to refuse entry to any person or vehicle on the day. Acceptance of the above conditions is taken as agreed on receipt of this email and confirming attendance.

Vehicles that are not pre-booked will be admitted to the show only if there is room to park. Regrettably, we are unable to offer concessions to those owners who have not pre-booked. **Please contact the organizers, as below, if you have pre-booked and are unable to attend so the space can be re-allocated.**
